Beaverton Family YMCA Private Swim Lessons Request Form

Read me first: This is a request to have a private/semi-private swim lesson. The process is as follows:

Once you have turned this completed form into the service center, they will give it to the Maggie Cameron, the Aquatic Administrative Assistant. She will proceed to find both a time and instructor that fits your needs. Maggie will call you and set up that specified time for you to begin your lessons that you requested. Once your lessons are scheduled, you will be required to pay for your lessons on or prior to the first lesson. We will not take payment from you until the lessons are actually scheduled. Please bring your receipt to the first lesson to show the instructor. A private swim lesson cannot be exchanged for a semi-private or visa versa. If one day you choose to have a private lesson instead of a semi-private lesson you must buy a single private lesson that day. This would be the same process if you were to just buy one private or semi-private lesson.

Cancellation Policy:

A full refund will be given for cancellation prior to the first class or classes canceled by the Beaverton Family YMCA. Cancellations after the first day of class will receive a credit of half of the registration fee towards a future Beaverton Family YMCA program. If you can't make it for one of your lessons, you need to call the YMCA to let the teacher know at least 24 hours in advance of your scheduled lesson. If this does not happen you will be charged for that lesson.

I hereby verify that I have read all of the aforementioned text regarding the Beaverton Family YMCA's signup procedures and cancellation policy:
